Subject: Drive folder available

Hello:

I have made that folder available to you Greg so you should be able to access the following path:

\\Aa.ad.epa.gov\ord\ADA\DATA\Priv\Pavillion\Phase V April 2012\Region8

Give this a try and let me know if you can get there. If so, you should be able to drag and drop those files in. They may take a few minutes to come across but may save time compared to shipping DVD's. let me know if you need anything on this!
